

LUTHFI AWALUDIN

Aspiring Data Analyst | Business Intelligence

Tasikmalaya, West Java | luthfiawaludin003@gmail.com | 085861781382 | www.linkedin.com/in/luthfiawaludin | [Luthfi Awaludin](#) | [Data Analytics Portfolio](#)

PROFESSIONAL SUMMARY

Final-year Informatics student at Universitas Siliwangi with hands-on experience in data processing, data validation, data quality, business analysis, and dashboard development. Completed a work-practice internship at BPS Kota Tasikmalaya, contributing to survey data monitoring, quality control, analysis, reporting, and publication activities. Experienced in applying Microsoft Excel, SQL, Google BigQuery, Python, and Looker Studio through real-world and project-based analytics work, with a career focus on Data Analytics and Business Intelligence.

EDUCATION

Universitas Siliwangi — Bachelor of Informatics

Expected Graduation | Nov 2026

PROFESSIONAL EXPERIENCE

Work Practice Intern - Data Processing & Analytics

Jun 2025 – Aug 2025

Badan Pusat Statistik (BPS) Kota Tasikmalaya

- Supported monitoring and quality control of Desa Cantik Kahuripan survey data covering 19 RW in Kelurahan Kahuripan, Kota Tasikmalaya.
- Validated survey records and reviewed data-quality issues, including inconsistent enumerator information and duplicate identifiers, for follow-up.
- Processed and analyzed survey data to prepare structured statistical outputs and visualizations for reporting.
- Contributed to the final Desa Cantik Kahuripan publication through data processing and analysis, report writing, and graphic layout.

SELECTED PROJECTS

Kimia Farma Business Performance Analytics

Rakamin Academy | Jul 2026 – Aug 2026

- Integrated four operational datasets in BigQuery, including 672,458 transactions, and built a SQL analytical table while preserving one-row-per-transaction granularity.
- Developed a two-page Looker Studio dashboard analyzing 2020–2023 sales, profitability, regional contribution, product categories, ratings, and branch performance; the analysis covered approximately Rp321.17B in nett sales and Rp72.56B in nett profit.

Kitchen Equipment Sales Performance Dashboard

KarirNex | Jul 2026

- Cleaned and standardized 10,000 kitchen-equipment transactions in Excel, prepared the cleaned dataset in BigQuery, and connected it to Looker Studio.
- Built an interactive dashboard covering Rp5.87B in sales, 10,000 orders, an 89.72% completion rate, monthly trends, product performance, categories, and geographic contribution.

Fashion Sales Performance Dashboard

KarirNex | Jun 2026

- Built an interactive Excel dashboard from 15,000 fashion transactions to monitor net sales, quantity, customer ratings, shipping fees, monthly trends, products, cities, platforms, and order status.
- Used PivotTables, PivotCharts, slicers, and Timeline filtering to support interactive exploration of approximately Rp7.09B in net sales.

Desa Cantik Kahuripan Survey Analytics Pipeline

BPS Kota Tasikmalaya | Aug 2025

- Developed a structured survey analytics workflow for data validation, quality monitoring, descriptive analysis, and statistical reporting across 19 RW.
- Applied data-quality checks to identify incomplete, duplicate, and inconsistent survey records while preserving source-data integrity for review and publication analysis.

ORGANIZATIONAL EXPERIENCE

Head of Membership & Cadre Development - UKM Seni Musik Universitas Siliwangi

Jan 2026 – Present

- Coordinate membership and cadre-development programs, internal communication, member engagement, and cross-division activities.
